

2013-2014 Grant Recipients & Resource List

To save lives and end breast cancer forever by empowering people, ensuring quality care for all and energizing science to find a cure.

WELCOME

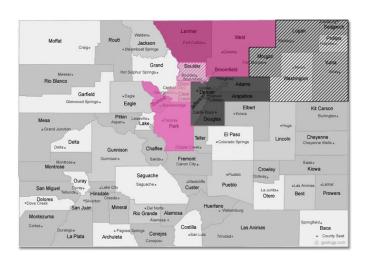

Welcome to the resource list of the Denver Metropolitan Affiliate of Susan G. Komen for the Cure® featuring our 2013-2014 grantees. Susan G. Komen for the Cure seeks to ensure that all people, regardless of race, income, geographic location, sexual orientation or insurance status, have access to screening, and if diagnosed, to quality, effective treatment and treatment support services. Komen Denver Metropolitan Affiliate supports this on a local level by funding non-profit organizations to provide an array of breast health and cancer services with an aim to create seamless systems of care for medically underserved women and men living in the Affiliate's 19-county service area (Adams, Arapahoe, Boulder, Broomfield, Clear Creek, Denver, Douglas, Gilpin, Jefferson, Larimer, Logan, Morgan, Park, Phillips, Sedgwick, Summit, Washington, Weld, and Yuma counties).

IMPACT OF FUNDING

Komen Denver Metropolitan Affiliate raises funds through our signature events, the Komen Denver Race for the Cure® and the Pink Tie Affair, as well as through corporate and individual contributions, and third-party events.

The Affiliate is a leader in grantmaking, having invested more than \$32 million to a wide variety of nonprofits that provide breast health and breast cancer services to the medically underserved in our 19-county service area since 1993. This grant cycle the Affiliate is funding 21 projects, totaling more than \$2.1 million. In addition, we contribute 25 percent of annual net revenue to breast cancer research through our National organization. Since the Affiliate's inception, almost \$14 million has been raised for breast cancer research.

Komen Denver Metropolitan Affiliate Service Area Map

Regions Key:

Denver Metropolitan: Adams, Arapahoe, Denver, Douglas and Jefferson counties

Foothills: Clear Creek, Gilpin and rural western Jefferson and Boulder counties

Boulder: Boulder and Broomfield counties

Northern: Larimer and Weld counties

Screening Programs

The following organizations provide low or no-cost clinical breast exams, screening mammograms and diagnostic services to medically underserved individuals.

Clinica Tepeyac Marlene Valadez- 720-274-2935 www.clinicatepeyac.org

Regions Covered: Denver Metro

Clínica Tepeyac's Breast Health Screening, Diagnostic and Navigation program is a community-based program that offers culturally-appropriate breast health navigation services that connects traditionally medically-underserved Latinas with free screening and affordable diagnostic services.

Colorado Coalition for the Homeless Rocio Rodriguez - 303-291-6944 www.coloradocoalition.org Regions Covered: Denver Metro

Through Stout Street Clinic, CCH provides routine breast health screenings, clinical breast exams, breast health education, mammography services, diagnostic services and treatment referrals to homeless women over the age of 40, as well as women under the age of 40 with high risk factors for breast cancer. Mammograms and necessary follow-up services are provided in a single patient visit.

Colorado Community Health Network (CCHN)

Sarah Dutcher: 303-867-9587

www.cchn.org

Regions Covered: Denver Metro, Foothills, Boulder, Northern, Northeastern

The CCHN Komen Denver Metropolitan Affiliate Project will serve women 40 years of age and older who are not eligible for other programs for breast cancer screening through 6 Community Health Centers at 25 sites (sites are listed below with contact information for each health center). Women younger than 40 years of age who are considered high risk for breast cancer, who have symptoms of breast cancer, who have been diagnosed with breast cancer, and any man with an abnormal Clinical Breast Exam are also eligible for the program.

Denver Health and Hospital Authority

Ashley Shurley- 303-956-2154

www.denverhealth.org

Regions Covered: Denver Metro

DHHA will provide patient navigation services to improve access to breast health education, screening and diagnostic services to medically underserved men and women living in Denver County who are in need of screening mammograms and/or diagnostic services.

Planned Parenthood of the Rocky Mountains Aurora Health Center- 303-671-7526 Fort Collins Health Center- 970-493-0281 Greeley Health Center- 970-352-4762 www.pprm.org

Regions Covered: Denver Metro, Northern

Through the Aurora, Fort Collins and Greeley Health Centers, PPRM offers free breast health education, clinical breast exams, screening mammograms and diagnostic services to a high-need population with the goal of identifying breast cancer at an early and treatable stage. This project serves eligible women who are underinsured or uninsured. Komen Denver Affiliate funds breast health and breast cancer programs and does not provide funding for abortions or for any activities outside the scope of our promise to end breast cancer.

Rocky Mountain Rural Health Michelle Vice - 719-836-2169

www.rmrh.org

Regions Covered: Mountain

RMRH reduces the barriers to mammography screening and provides treatment support services to uninsured or underinsured women living in Park County.

Saint Joseph Hospital Breast Care Center and Mobile Mammography Project

BCC: Joan Berry - 303-318-3410 Mobile Van: Lala Zubia - 303-318-3419

www.exempla.org

Regions Covered: Denver Metro, Foothills, Boulder, Northern, Mountain

Exempla Saint Joseph Hospital Breast Care Center and the mobile mammography van provide screening and diagnostic services to medically underserved women living within the Affiliate's 19 county service area.

Summit Community Care Clinic Jennifer Gonzalez- 970-668-4057

www.summitclinic.org Regions Covered: Mountain

Summit Community Care Clinic provides breast cancer screening, diagnostic and navigation services to medically underserved women in the community. A primary focus is to serve women who fall into the "rarely/never screened" category, those who are low income, live in a rural area, and who are experiencing a health disparity.

Tri-County Health Department Wendy Nading- 303-783-7111 www.tchd.org

Regions Covered: Denver Metro

Tri-County reduces the barriers to education, mammography screening, diagnostics and treatment for those who are uninsured or underinsured in Adams, Arapahoe or Douglas County.

Yuma District Hospital Cindy Killip- 970-846-4792 www.yumahospital.org

Regions Covered: Northeastern

Yuma District Hospital increases the accessibility for life saving screening to the low income, medically underserved, undocumented aliens and for those who do not meet the qualifying criteria under WWC, CICP, or other programs.

Treatment Programs

The following organizations provide treatment to individuals diagnosed with breast cancer.

Boulder Community Hospital (BCH) Nanna Bo Christensen - 720-854-7057 www.bch.org

Regions Covered: Boulder

BCH provides treatment monies for men and women who have been diagnosed with breast cancer and are underinsured or uninsured. This project coordinates with local clinics who participate in Women's Wellness Connection.

Denver Health and Hospital Sonia Deutsch - 303-602-6048 www.denverhealth.org **Regions Covered: Denver Metro**

Denver Health and Hospital provides treatment monies for men and women who have been diagnosed with breast cancer and are underinsured or uninsured residing in Denver County.

McKee Medical Center Foundation (McKee) Sue Fagerlund - 970-378-4327 www.mckeefoundation.com

Regions Covered: Northern and Northeastern

The Treatment Grant at McKee, North Colorado Medical Center and Sterling will ensure that under insured, uninsured or women who do not have other resources will have access to breast cancer treatment. The oncology social work navigators will identify and qualify women for the treatment grant and assure they receive the full range of services in the Continuum of Care as developed by the coalitions in each region. This project will allow these women to receive the care they deserve and help them meet all of their needs as they struggle to recover from breast cancer and all the medical and personal ramifications of their disease.

Mt. Evans Hospice and Home Health Care Sandy Wandling- 303-674-6400 x226 www.mtevans.org

Regions Covered: Foothills and Mountain

Mt. Evans Hospice and Home Healthcare provides underinsured or uninsured women who live in the mountain communities west of Denver with access to comprehensive in-home services to aid with their recovery, healing, or end-oflife issues. These services can include nursing care; physical, occupational and speech therapies; assistance with personal care; nutritional evaluation; transportation to medical appointments; respite care for families; massage; and counseling and support.

Poudre Valley Health System Foundation 970-297-6165 www.pvhs.org

Regions Covered: Northern

Women and men living in Larimer and Weld Counties who require treatment for breast cancer but are underinsured or uninsured will receive support with treatment costs through the Poudre Valley Cancer Network. Patient eligibility is determined by the oncology nurse navigators at Poudre Valley Health System.

Saint Anthony Health Foundation Bonnie McClusky-720-231-8232 www.stanthonyhealthfoundation.org

Regions Covered: Denver Metro, Foothills, Boulder, Northern

St. Anthony's Cancer Center provides breast cancer treatment to low-income, uninsured and underinsured residents of the Denver Metro area, as well as residents in the additional counties within the Komen Denver Affiliate's 19-county service area. With referrals from local clinics, coalitions and other referral agencies, SAH Cancer Center offers a continuum of care, with treatment options that include surgery, radiation therapy, chemotherapy, and other helpful supportive services.

Saint Joseph Hospital at Caritas Clinic

Chris Sandoval - 303-318-1570

www.exempla.org Regions Covered: All

The Saint Joseph Hospital Caritas Clinic provides treatment to low income, underinsured or uninsured women with breast cancer in the Affiliate's service area. Women referred to Caritas Clinic receive a continuum of care from diagnosis to recovery on the Saint Joseph Hospital campus.

Yuma District Hospital (Carry-over funding, project was awarded in 2012)

Cindy Killip- 970-846-4792 www.yumahospital.org

Regions Covered: Northeastern

Yuma District Hospital increases the accessibility for life saving cancer treatment to the low income, medically underserved, undocumented aliens and for those who do not meet the qualifying criteria under WWC, CICP, or other programs.

Community Health Worker Programs

The following organizations provide culturally responsive breast health education to diverse populations that focus on addressing barriers to screening. The end-goal of these projects is to connect medically underserved individuals with breast screenings and timely follow-up diagnostic care.

Clinica Tepeyac Tracy Pineda- 720-274-2928 www.clinicatepeyac.org

Regions Covered: Denver Metro, Boulder

Clinica Tepeyac will increase access to culturally relevant breast health education and awareness for uninsured and under-insured Latinas through one-on-one and group education, breast health registry programs and helping those women schedule breast screenings.

Colorado Foundation for Public Health & Environment and CREA Results

Diana Pineda-Ford - 720-341-8046

www.crearesults.org

Regions Covered: Denver Metro and Northeastern

CREA Results will provide breast health awareness and education to uninsured and underinsured Latinas by doing intensive one-on-one education and helping those women schedule a clinical breast exam or mammogram.

Native American Cancer Research Lisa Castro- 303-975-2449

www.natamcancer.org

Regions Covered: Denver Metro

The NACR Community Health Worker (CHW) Project will increase the number of American Indian and Alaska Native (AIAN) women who receive clinical breast exams (CBEs) and provide navigation services to women with abnormal findings or who are diagnosed with cancer. NACR will provide services to low income, uninsured, and/or underinsured AIAN women from the Denver Metro Area.

Women's Resource Center Melissa Wilson- 970-484-1902 www.womens-resource.org Regions Covered: Northern

Women's Resource Center's breast health program provides education, connection to clinical breast exams and mammograms, and patient navigation services for follow-up care.
